

Gluten

Gluten containing creations in Dr. Hauschka Skin Care are limited to the products Dr. Hauschka **Soothing Cleansing Milk** and Dr. Hauschka **Apricot Day Cream** due to the ingredient Lactobacillus/Oat/Rye/Wheat Seed Extract Ferment.

Some Dr. Hauschka products contain the wheat-derived ingredients wheat germ oil, wheat bran extract, tocopherol and alcohol. During the manufacture and processing of these ingredients, gluten is removed, therefore they can be considered gluten-free (according to EU Regulation EC No. 828/2014). These products contain less than 20 ppm gluten.

Products containing purified wheat germ oil or wheat bran extract (< 20 ppm gluten) are:

- Clarifying Day Oil
